

ANNUAL REPORT

FISCAL YEAR 2013-2014

40,125

miles driven by New Vision's 11 staff to provide services

That's enough mileage to circumnavigate the Earth 1.6 times!

To provide these individualized, personalized services at no charge to those in need, it costs an average of \$2,890 per client or a total of

554,913

Thank you to our top supporters:

- State of Florida DOE Division of Blind Services
- Lake-Sumter State College (in-kind office space)
- United Way of Lake & Sumter Counties
- Universal Orlando Foundation
- Lake County Health & Human Services

Top expenses:

1. **Personnel expenses** for specialized, highly-skilled instructors + support staff
2. **Office space**
3. **Mileage** for individualized itinerant services
4. **Everything else** (insurance, supplies, staff development, marketing, accounting, background checks)

“You all have taken so much frustration out of my days. I could not ask for more.” - Eddie Toliver

196
babies, children, teens, adults + seniors received skills training to adapt to vision loss
